Recommending prior to Board Meetings we have a Bingo game...may increase attendance for PTO meeting (Thought for next year)

Open Positions

Many board positions are open for the 2020-2021 School Year – we are in a holding pattern for now...but we can transition any position to a new person if anyone else would ever volunteer.

So far, these are the board seats with volunteers:

- *Room Parent Chair: Jessie Fellows
- *Spirit Wear Chair: Judy Miller
- *Spirit Rock Chair: Abbey Ellison
- *School Supply Chair: Erica Dregrado
- *Business Partnership Chair: Christine Costello

The remainder of the seats/chairs are open. Sommer encouraged anyone with questions regarding open board positions to please send her or the person who currently holds the position an email. Sommer can be reached at cunninghamcreekpto@gmail.com. Board transition usually takes place in July, with several positions that have bigger responsibilities transitioning sooner.

Scavenger Hunt around town.

Christine did a great job getting business partners onboard

CCE will hand out a map with coordinates for the hunt

Groups of 5, 6 Coordinates, Parents required to drive, RSVPs will go out later today

PTO doing a Honk Out

Balloons with certificate of completing will be given out

We encourage families to hon from the front of their neighborhood

They are doing a virtual ceremony

There are 90 5th graders

May 22nd

Pam and Sandra will be on fence decoration

Lawn signs will go to all 5th graders and teachers will be delivering (Shhh...this is a secret)

Candice wants to be an overachiever this summer and finish the sensory room. Sommer will check with Eddie and see if parents will be allowed in the building this summer. If you go in masks are required and no kids allowed

New Business

Nada. We are all trying to survive...and praying the kids go back to school before we can take on new business.

Committee Reports

Staff Appreciation Week

Teacher Appreciation Shirts were distributed. Sharon designed them and did a great job. She has yet to pay for them....she is not very good at that part of the job.

Do we want to allow the parent teachers the opportunity to buy this shirt? Sommer will put out feelers to see how we want to proceed on this option.

Teacher Appreciation – some people are putting posts on Schoology, not a huge hit because most parents only use schoology when they have to and not all the classes are teaching through this tool – so it is a crap shoot.

Flowers in the front of the school went well. Candice didn't communicate well when she posted on Nextdoor Neighbor so her neighborhood is sporting lawn decorations provided by the CCE PTO. But we are not

complaining because Candice took the flowers home and wrote on all the ones for the parents that forgot or couldn't make it during the timeslot given.

Chick-Fil-A will be donating. The CCE Teachers will be getting a tailgate type of bagged lunch that they can drive through and take or they can mingle in the parking lot. This is taking place instead of the end-of-year BBQ lunch that is usually done.

School Supply Kits

Summer will asks...we will plan on it. Goodluck with sanitizer and Lysol wipes.

Next Meeting

Who knows....probably sometime this summer.

Meeting adjourned at (I wasn't looking at the clock) by Sommer Farrin
