Principals Report

Distant Learners went down to 11 and they are all being placed in different schools that have more distant learners. They will start the new quarter (Tuesday) with their new assignments.

3rd grade classes had to be balanced since most distant learners were within this grade level. Unfortunately, some transitions had to be done among the students and teachers within this grade.

Tomorrow will be the last day of “early early” release Wednesday.

CCE is currently in the process of hiring a 4th grade teacher, an offer was made and accepted. An announcement will be made Friday.

2 positions for tutors is being posted, 24 hours a week (M, T, Th, F)

CCE Administration/Staff are currently in the process of planning end of year activities.

Light the Night Recap

Luminary Sales: \$398.00

Event Donations: \$1303.51

Online Donations: \$100.00

Classroom Coin Drive: \$1102.61

Grand Total: \$2904.12 going to Field of Dreams

Highschool volunteers were able to help a lot and get in some hours

A little more expensive to start this year but will pay off the following years

Made more money this year than years past - \$16.00 more

Less work and didn't have to depend on other organizations to deliver different "parts" of the event

Luminaries were a painful amount of work – hoping to give this back to student council to complete next year

We need to have a clear plan of action and better volunteer coordination to make sure everyone knows "what to do"

New Business

Staff Appreciation

Thinking about doing a "giving tree" for Valentine's Day. This will need to be virtual and possibly have something to grab within carline as well.

Possible little refrigerator

Possible Keurig

Candice will tell us a plan of action

Candy Grams – if the 5th grade does not take this on, then it may be something the PTO completes

Staff Appreciation Week – looking at getting a Food Truck at the school for teachers/staff
